

Annex B: Pupil Development Grant Strategy Statement

From 2023-2024 schools will need to complete and publish a statement on their PDG strategy. This can be seen below.

From 2023-2024 the consortium will also be required to publish a statement on its EYPDG strategy for non-maintained settings delivering funded early education. This should follow the same format as the school's template below.

PUPIL DEVELOPMENT GRANT STRATEGY STATEMENT

This statement details our school's use of the PDG for the 2025 to 2026 academic year.

It outlines our strategy, how we intend to spend the funding in this academic year and the effect that last year's spending had within our school.

Part A: Strategy Plan

Statement of Intent

You may want to include information on:

- *Develop all teachers' understanding of equity and develop a consistency of teaching across the school.*
- *Poverty proof the school.*
- *Develop a rigorous MER cycle to understand the progress FSM pupils are making across the school.*

To ensure that **all staff** know the learners, who are adversely affected from poverty, very well both emotionally and academically.

All staff to understand the effect poverty on a our pupils' life chances and how **our empathy not sympathy is vital**

To ensure an **equitable access to education** and understand how to close the gap through:

- Placing the emotional wellbeing of the pupil at the centre and ensuring our eFSM come to school
- Ensure high quality teaching for all our eFSM pupils with particular focus on key skills of literacy, maths and DCF and ensure they make at least expected progress in line with non eFSM pupils
- Providing rich and meaningful experiences for our eFSM through a rich and diverse curriculum
- Supporting families

The PDG plan is closely aligned with the Learning and Teaching priority action plan (SIP Action Plan) to ensure that high quality learning and teaching is accessible for all eFSM pupils and **'teaching moves learning along at the right pace, and presents all pupils, including pupils who are adversely affected by poverty, with appropriate challenge and support.'**
Source Estyn IA1

The PDG plan will form the basis of an **Anti Poverty Strategy which will enable school to self evaluate its provision for eFSM pupils and their families** in order to create lasting change.

The school has a rigorous self evaluation process - monitoring, evaluation and review cycle (MER) in which eFSM are fully considered and progress is tracked very well.

Supporting documents will support the development, implementation and review of the PDG statement:

- The CSC High Standards and Aspirations: Equity and Excellence for All access areas which includes Equity and Excellence document (updated July 2022)
- Leadership of tackling the impact of poverty - CSC Course,
- WG Children in Wales Tackling the Impact of Poverty on Education Programme
- Estyn Supplementary Guidance - *Supplementary guidance: inspecting the approaches taken by non-maintained settings, schools, PRUs and local government education services to reduce the impact of poverty on educational attainment and well-being- September 2024*

Intended Outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.
