Classroom Assistant students had the opportunity to meet up with Adult Learning Wales' tutor, Kirsty Jenkins , providing on-line preparation sessions for applying for HMRC jobs. Cardiff HMRC will be looking to fill 60 vacancies : roles will be advertised on **17/02/22**.

During the session our tutor will:

- Fully explain each of the three Civil Service behaviours required.
- Help you decide on the best examples you have for each behaviour.
- Support you with structuring your behaviour examples using the required STAR structure.
- Provide you with all the information you need regarding Civil Service blended interviews, the different methods of interviews used and what you can expect if you are invited to attend an interview for this role.

After completion of both sessions, our experienced tutor will add you to our Civil Service Support Team on MS Teams where you will be able to contact her for any further help and support.
